## Year Five Newsletter

## OMEGA TERM

Dear Parents,

We would like to welcome you to the last phase of this eventful academic session. We are certain that the Almighty God who gave us a good start, will see us through. We thank you for your continued support and pray that all our efforts will be crowned with excellent success. Below is an overview of topics that will be taught this first-half of the Omega term.

Thank you.

Means of transportation

Nomads

**Term's Project**

- This term's project is titled "Going There". The project is individual and will be made up of two parts. The first part of the project will be a 3D model of any means of transportation. This will attract 60 marks . The second part of the project will be an oral presentation in class. This will attract 40 marks. The children should prepare a poster to aid their presentation in class and this poster should include :
  - Ways of managing traffic in Lagos State
  - Main features of this means of transportation
  - Advantages and disadvantages of the means of transportation

***Project submission and presentation will take place on Friday, 5th of June, 2015***
